We also reserve the right to temporarily suspend the Services in situations deemed appropriate by us, in our sole and absolute discretion, including when we believe a breach of system security has occurred or is being attempted. You hereby acknowledge and accept that each message is sent to you without being encrypted and will include certain information requested on your Account(s).

There is no limit on the number and frequency of outbound messages. You have the right to cancel this Service at any time. After you make a request that prompts outbound messages to be sent to your Device, you have the right and the capability at any time to cancel such a request with immediate effect and any communication sent thereafter by Trademark to you, including but not limited to SMS, will be free of charge to you other than such service or message transport fees that may be levied by your network operators. You agree to communicate your service request to Trademark using your Device in such a way that your mobile phone number is capable of being captured and stored by Trademark.

You may request and receive text messages concerning your accounts on any text enabled Device. It is your responsibility to determine if your wireless carrier provider supports text messaging and your Device is capable of receiving text messages. Trademark’s SMS messages are subject to the terms and conditions of your agreement(s) with your wireless carrier provider even if your use of the SMS service results in additional or changed fees.

Once you activate your Device for this service, you are responsible for keeping any personal information in your Device secure. For your protection, you agree to:

A SMS message does not constitute an official record for the Account to which it pertains. Trademark reserves the right to terminate this service or begin charging a fee for this service at any time without prior notice to you, except where required by Law. All provisions of any agreements or disclosures previously made pertaining to your Account(s) remain in effect and are not superseded or amended by this agreement.

ADDITIONAL DEPOSZIP REMOTE DEPOSIT CAPTURE SERVICES PROVISIONS:

This Remote Deposit Capture Services Agreement governs the use of Remote Deposit Capture Services (“RDC”, “RDC Services”, “DeposZip”)

By using DeposZip, you agree to the terms and conditions of this Agreement.

Description of the RDC Services

The RDC Services allow you to make deposits to certain of your Accounts with us that we approve by electronically transmitting a digital image of checks to us for deposit. In order to use the RDC Service, you must be enrolled in our Online Banking service and, for mobile deposits, our Mobile Banking application must be installed on your Device. You acknowledge and agree that no transaction made through or using the Service is an “electronic fund transfer” as defined by the federal Electronic Fund Transfer Act and/or Regulation E of the Consumer Financial Protection Bureau.

Ineligible Accounts

We may from time to time limit or prohibit the use of the RDC Service for deposits to certain account types, at our sole discretion. Currently, we do not permit the RDC Service to be used for deposits to the following Accounts: Individual Retirement Accounts (IRAs), Individual Retirements Account Certificates

(IRA CD's), and Share Certificate Accounts. Further, you are not permitted to use the RDC Service to make payments on any outstanding loan with us.

Eligible Items

You agree that you will use the RDC Service only to scan and transmit images of “checks”, as that term is defined in Regulation CC of the Board of Governors of the Federal Reserve System, for a deposit to your Account.

Any reference herein to “check” shall refer to each and every check or item that is transmitted to us by you using the RDC Service, both individually and collectively. You agree that the image of any check that is transmitted via the RDC Service shall be deemed an “item” within the meaning of Article 4 of the Uniform Commercial Code as adopted in Maine. You further agree that you will not use the RDC Service to scan or transmit any check or item that:

- (a) is payable to any person or entity other than you (a “third party check”);
- (b) is drawn or otherwise issued by you on any account you own or have an interest in, or on which you are an authorized signer;
- (c) is prohibited by our procedures pertaining to the Service, as amended from time to time, or is in violation of any law, rule or regulation;
- (d) bears any alteration or that you know or suspect, or should know or suspect, is fraudulent or otherwise not authorized by the owner of the account on which the check is drawn;
- (e) is either a “substitute check” (as defined in Regulation CC or other applicable federal law or regulation) or an “image replacement document” that purports to be a substitute check;
- (f) is drawn on a financial institution that is located outside of the United States;
- (g) is a “remotely created check” as that term is defined in Regulation CC;
- (h) is not payable in United States currency;
- (i) is dated more than six (6) months prior to the date of scanning and transmission or is “post dated”;
- (j) is payable jointly, unless the check is being deposited to an Account in the name of all payees on the check;
- (k) is payable on sight or is a payable through draft, as defined in Regulation CC;
- (l) has any endorsement on the back other than the endorsement specified in this Agreement;
- (m) has previously been submitted through the Service or through any remote deposit capture service offered by any other financial institution;
- (n) is drawn or otherwise issued by the U. S. Treasury;
- (o) is not acceptable to us for deposit into your Account as provided in the deposit agreement that governs your Account; or
- (p) is cash, a money order, cashier’s check, or traveler’s check (any of the foregoing being herein referred to as a “Prohibited Check”).

Image Quality

The image of any check transmitted to us through the Service must, in our sole and absolute judgment, be legible and contain images of the front and back of the check. The image quality of the check must

meet the standards for image quality established by the American National Standards Institute (“ANSI”), the Board of Governors of the Federal Reserve, or any other regulatory agency, clearinghouse or association. These requirements include, but are not limited to, ensuring the following information can be clearly read and understood by sight review of the check image:

- (a) the amount of the check (both written and numeric);
- (b) the payee;
- (c) the signature of the drawer (maker);
- (d) the date the check was written;
- (e) the check number;
- (f) pre-printed information that identifies the drawer and the financial institution on which the check is drawn, including the MICR encoded account number and financial institution routing/transit number;
- (g) all other information placed on the check prior to the time an image of the check is captured, such as any endorsements applied to the back of the check.

Endorsements

You agree to restrictively endorse any check transmitted through the Service by supplying the following verbiage: “For Deposit Only, Trademark FCU Account # _____”, followed by your Credit Union account number, and your legally-binding signature to endorse the check. For example, a proper endorsement would appear as follows:

For Deposit Only
Trademark FCU Account #123456
s/ John A. Doe

You further agree that we may handle and process any check image you transmit to us through the RDC Service in accordance with the terms of this Agreement notwithstanding any restrictive, qualified, or conditional endorsement you may apply to the check without our approval or direction.

Security Procedures

You agree to follow any and all procedures, instructions, and guides for use of the RDC Service as we may require from time to time and download each software update as it is available by us to you. We may require you to use a user identification code, a personal identification number, and/or passwords and other security procedures (collectively, “RDC Service Access Procedures”) to access the RDC Service. You agree at all times to comply with the Service Access Procedures, to safeguard the confidentiality of the Service Access Procedures, and to notify us immediately if you have any reason to believe the security or confidentiality of the Service Access Procedures has been compromised or breached.

Receipt of Images

We have no obligation to accept any check or image you transmit to us through the RDC Service, and we may reject any check or image that you transmit in our sole and absolute discretion without liability to you. You agree that we are not responsible or liable to you for images that are dropped during transmission, which we do not receive, or that are intercepted or altered by, or misdirected to, any unauthorized third party. You assume the risk that any check image or information from a check image

may be intercepted or misdirected during transmission. An image shall be deemed received by us when the funds deposited appears as "Deposit Accepted" under the Deposit History tab. Such confirmation only confirms the receipt of the image and does not confirm that the transmission was complete or error free, or that the amount of the check will be finally collected from the drawee institutions and/or credited to your Account. If, after we confirm the receipt of a check image, we determine that the check is a Prohibited Check, you agree that we may charge the amount of the check back to your Account and grant us a lien on any other Account you may have if the funds in the deposit Account are insufficient for a chargeback in full. You agree that we will not be liable to you for any loss, costs, or fees as a result of the exercise of our chargeback rights.

Funds Availability

You agree that check images transmitted using the RDC Service and the funds represented by the checks are not subject to the funds availability requirements of Regulation CC. Except as otherwise provided in this Agreement, and subject to the requirements of applicable law or regulation, funds from any check transmitted through the RDC Service will be available after final payment with respect to the check is made by the drawee of the check, and any credit of funds to your Account before that time is provisional. As a general rule, funds from deposits made by the RDC Service will be made available to you on the second Business Day following the Business Day on which we accept the check image from you. However, funds may not be available for up to seven (7) business days from the day the deposit was made based on such factors as creditworthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as we, in our sole discretion, deem relevant, and/or based upon funds availability options we may offer to you in connection with the RDC Service. You acknowledge and agree that no funds availability option we offer constitutes a promise or guarantee that check funds will be finally collected from the drawee institution and/or finally paid to you. In any event, we reserve a right of chargeback to your Account in the event of dishonor or nonpayment by the drawee institution, and we reserve the right to chargeback all applicable fees in the event of such dishonor or nonpayment and/or any resulting chargeback (including, but not limited to, returned deposit item fees and overdraft fees). Check images received by us before 4:30 p.m. EST on a Business Day will be processed on the same day. Check images received by us after 4:30 p.m. EST will be processed on the next Business Day.

Contingency Plan

The RDC Service is provided by us to you as a convenience. Because the RDC Service could be unavailable from time to time for various reasons, you should not rely on the Service as the sole means of depositing checks to your Account. If you wish to deposit any check to your Account and you are unable to transmit the image of the check to us through the RDC Service or are unable to use the RDC Service in compliance with the terms of this Agreement for any reason (including, without limitation, reasons related to communications, equipment or software outages, interruptions or failures), you acknowledge and agree that you are solely responsible for using alternative available means of depositing the check to your Account, such as depositing the check in person at any Credit Union branch location or through any Credit Union ATM. Such alternative means will be governed by the terms and conditions of our Deposit Account Agreement and not by the terms of this Agreement.

Your Representations and Warranties to Us; Indemnification

Each time you use the RDC Service to transmit any check image to us, you represent and warrant to us that:

- (a) the check is not a Prohibited Check;
- (b) you are entitled to enforce the check;
- (c) all signatures on the front and back of the check are authentic and authorized;
- (d) the check is not a counterfeit item;
- (e) the check has not been altered;
- (f) the check is not subject to a defense or claim in recoupment of any party that can be asserted against you;
- (g) you have no knowledge of any insolvency proceeding commenced with respect to you or the drawer of the check;
- (h) the check, in the event of any dishonor or nonpayment by the drawee, is enforceable against both you and the drawer of the check;
- (i) the check image transmitted by you to us contains an accurate representation of the front and the back of the check and otherwise complies with all the requirements of the Service (including, but not limited to, any endorsement requirements);
- (j) you will neither create nor transmit through the Service any duplicate image of the check, nor will you deposit or otherwise negotiate the original check;
- (k) no person or entity will be asked to make payment on the check more than once;

ADDITIONAL ONLINE BILL PAYMENT PROVISIONS:

The Bill Pay Service allows you to access your account to pay many types of bills. By submitting an online request for the Bill Pay Service, each of you jointly and severally agree to the terms and conditions in this Agreement, and any amendments. By reference, this Agreement is made part of the ACU Membership and Account Agreement. Acceptance of this Agreement indicates acceptance of the Credit Union Membership and Account Agreement.

Bill Pay Service.

You authorize us to process Bill pays from your designated account. You may use the Bill Pay Service to initiate two (2) different types of payment transactions:

- a. "One-time payments" Use one-time payments to make a single payment or payments that vary from payment to payment for an individual or business. One-time payments may be deleted or edited through the Bill Pay Service prior to processing.
- b. "Recurring" Use recurring payments to schedule fixed recurring payments (e.g., mortgage payment, car payment, etc.). You may designate the start and end dates for payments. Recurring payments may be deleted or edited through the Bill Pay Service prior to processing. There is a minimum dollar limit on any one-bill pay of \$1.00.

There is a maximum dollar limit on any one bill pay of \$10,000.00, or the available balance in your designated account plus any available overdraft protection balance, whichever is less. Transfers to or from any account are subject to the terms and conditions applicable to that account as set forth in the Membership and Account Agreement and Rate and Fee Schedule.

Payees.

A payee is an individual or business to whom you want to make a payment. There is no limit to the number of payments you may schedule. Payees must be located in the United States, Guam, US Virgin Islands or Puerto Rico. When you transmit a Bill pay instruction to us, you authorize us to transfer funds to make the Bill pay transaction from your account. We will process bill pay requests only to those payees that you have provided within the Bill Pay Service.

Processing Payments.

The amount of your requested bill pay will be deducted from your account on the Processing Date and will be processed by us on that date or the next Business Day should the processing date fall on a Sunday or Federal Holiday. Therefore, you must have sufficient funds available to cover your payments on the Processing Date in order to have your payment made by your specified Due Date. However, if there is not an electronic payment relationship with the payee, the payment will be issued as a paper check drawn off your Account and the funds will clear the account when the check is paid.

Bill pays are delivered to the payee either electronically, which may take up to two (2) business days from the Processing Date, or by check to those payees not set up to accept electronic payments, which may take up to five (5) business days from the Processing Date. When you enter the merchant/payee name, you will be advised if the payment will be sent in electronic or paper form. It is your responsibility to schedule your bill pays in such a manner that your obligations will be paid on time. You should enter and transmit your bill pay instructions at least six (6) business days before a bill is due. If you do not allow sufficient time or your account has insufficient funds, you assume full responsibility for any late payments, finance charges that may be imposed, or other actions taken by a payee as a result of a late (or unpaid) payment. We will not automatically resubmit a payment.

Trademark will not process any Bill Pay transfer if we know the required transaction information is incomplete. In any event, we will not be liable for any transaction that contains incorrect information that we were not responsible for providing or entering. If there are insufficient funds in your Account to make the Bill pay request, we may (in our sole discretion) either refuse to make the payment or make the payment and transfer funds from any overdraft protection account you have established. The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous.

Stop Payment of Bill Pays.

You may cancel or stop payment on One-time and Recurring bill pays under certain circumstances (prior to check clearance) by following the instructions provided. If you discover an error in or want to change an amount for a bill pay that you have already scheduled for transmission through the Bill Pay Service, you will need to contact the Credit Union to stop your payment request prior to the check clearing. Your cancellation request must be made during Credit Union business hours, excluding holidays. Stop payments cannot be made on electronic items; they must be deleted in the Bill Pay Service prior to processing. The Credit Union may require you to confirm your stop payment request in writing within fourteen (14) days of the call.

Account Information Disclosure.

We will disclose information to third parties about your account or the transfers you make in the following circumstances:

- a. As necessary to complete transfers;
- b. To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- c. To comply with government agency or court orders; and
- d. If you give us your express permission.

Limitation of Liability for Bill Pay Services.

If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your actual losses or damages. Our sole responsibility for an error in a transfer will be to correct the error and in no case will we be liable for any indirect, special, incidental, or consequential damages. In states that do not allow the exclusion or limitation of such

damages, our liability is limited to the extent permitted by applicable law. Trademark will not be liable for the following:

- a. If, through no fault of ours, you do not have adequate funds in your Account to complete the transaction, your account is closed, or the transaction amount would exceed your credit limit on your line of credit, if applicable.
- b. If you used the wrong access code or you have not properly followed any applicable computer, or user instructions for making transfer and Bill Pay transactions.
- c. If your computer fails or malfunctions or the phone lines or our computer system was not properly working and such problem should have been apparent when you attempted such transaction.
- d. If circumstances beyond our control (such as fire, flood, telecommunication outages or strikes, equipment, power or ATM network failure) prevent making the transaction.
- e. If the funds in your Account are subject to an administrative hold, legal process or other claim.
- f. If you have not given us complete, correct and current instructions so we can process a transfer or Bill Pay.
- g. If, through no fault of ours, a bill pay or funds transfer transaction does not reach a particular payee due to changes in the payee address, account number or otherwise; the time you allow for payment delivery was inaccurate; or the payee failed to process a payment correctly, or in a timely manner, and a fee, penalty, or interest is assessed against you.
- h. If the error was caused by a system beyond our control such as a telecommunications system, an Internet service provider, any computer virus or software related problems for software not provided by us.
- i. If there are other exceptions as established by us from time to time.

ENFORCEMENT

You agree to be responsible to Trademark for any liability, loss, or expense as provided in this Agreement that Trademark incurs as a result of any dispute involving your Accounts or Services. You authorize the Credit Union to deduct any such liability, loss, or expense from your account without prior notice to you. In the event either party brings a legal action to enforce the Agreement or collect any overdrawn funds on Accounts accessed under this Agreement, the prevailing party shall be entitled, subject to applicable law, to payment by the other party of its reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable. Should any one or more provisions of this Agreement be determined illegal or unenforceable in any relevant jurisdiction, then such provision be modified by the proper court, if possible, but only to the extent necessary to make the provision enforceable and such modification shall not affect any other provision of this Agreement.
