IMPORTANT TAX INFORMATION

You (as the payee) are required by law to provide us (as payor) with your correct taxpayer identification number. If you are an individual, your taxpayer identification number is your Social Security number. If you have not provided us with your correct identification number, you may be subject to a \$50 penalty imposed by the Internal Revenue Service. In addition, interest, dividends, and other payments that we make to you may be subject to backup withholding. Backup withholding is different from the 10 percent withholding of interest and dividends that was repealed in 1983. If backup withholding applies, a payor is required to withhold 30 percent of interest, dividends, and other payments made to you. Backup withholding is not an additional tax. Rather, if the tax liability of persons subject to backup withholding results in an overpayment of taxes, a refund may be obtained.

Before you can join the Credit Union, you must complete the Tax Identification Number Certification below. If you have been notified by the Internal Revenue Service (IRS) that you are subject to backup withholding due to payee under-reporting and you have not received a notice from the IRS that the backup withholding has terminated, you must strike out the language in clause two (2) of the Tax Identification Number Certification below.

TAX IDENTIFICATION NUMBER CERTIFICATION

Under penalties of perjury, I certify: (1) That the number shown on the membership application is my correct taxpayer identification number, and (2) That I am not subject to backup withholding, either because I have not been notified that I am subject to backup withholding as a result of a failure to report all interest or dividends, or the Internal Revenue Service has notified me that I am no longer subject to backup withholding, and (3) I am either a U.S. citizen or a U.S. resident alien.
